

STATE SENATOR BEN ALLEN INVITES YOU TO A **COMMUNITY SAFETY RESOURCE FAIR**

Please join us for this free community resource event to learn first-hand from public safety officials how to keep you and your family safe during the summer. You will have the opportunity to learn more about earthquake preparedness, child safety, and other community resources as well as meet your State Senator and his staff during mobile district office hours.

There will be plenty of fun for kids, including facepainting and arts and crafts! Receive a free child ID kit which allows parents to take and store their child's fingerprints in their own home.

SAT, JULY 11, 2015 • 11 AM – 3 PM

LOS ANGELES FIRE DEPT. STATION 5
